

HOW TO INVITE FRIENDS TO LIKE OR FOLLOW YOUR FACEBOOK PAGE

You can invite your friends to like or follow your Page on Facebook, which may increase its reach and audience.

Before you begin

- You'll need to [switch into your profile](#) to invite friends to like or follow your Page.
- You can only send invitations to follow Pages you have [Facebook or task access](#) to.

How to invite friends to like or follow your Page

To invite friends to like or follow your Page:

1. From your profile, find the search bar and search for your Page.
2. On your Page, click or tap to see more options.
3. Select Invite friends.
4. Search for the friends you want to invite, then check the box to select them.
5. Click or tap Send invites.

You've now invited friends to like or follow your Page.

Note: You can only invite up to 200 friends to like or follow your Page.
